

Cannifest Bowl 2016

April 16th & 17th @ Redwood Acres Fairgrounds - Eureka, California

We are now accepting entries to the 1st ever **Cannifest Bowl**, a Cannifest Community Choice Award. All entries will be tested for the most THC, CBD and Terpenes. The analytical results will determine which entries have the highest percentages for each (Most High, Most Medicinal and Most Flavor). The top four from each test will be available for judging in Area 215 at Cannifest. Tests for pesticide, fungicide, and microbiology will also be conducted. A positive result for these will eliminate an entry.

Fill out the form below completely and submit it with three (3) ounces of dried cannabis flowers (including 2 show tops) and a check or money order to *Humboldt Green* for \$215. The deadline for drop-off is Monday, April 4st, 2016 at High Noon. All participants in the Cannifest Bowl must be a 215 patient signed up with the entity receiving the entry.

Drop-off Locations:

**Hummingbird Healing Center – Contact Ken Hamik (707) 530-2473 for drop off details.

During Cannifest, the community does the judging. Limited judging packs will be available, they will include 12 samples, top four from three categories, and a score card.

* **Required Information**
